Plant Trees.

This is the time of the year when all should be interested in beautifying their home and premises, and nothing adds more in the direction than beautiful shade trees, which should now be set out if neglected last fall. Every home should have plenty of shade. And don't forget the orchard. Fruit trees on the farm are an absolute necessity to pleasure in season. Plant trees now and they will be in bearing condition in but a few years; plant more fruit trees, if you now have plenty, they will take the place of those now dying out. Every person who owns a home we are sure can improve it by placing more trees for either shade or fruit.

If you are looking for the best place to get these trees write the famous Lexington nursermen, H. F. Hillenmeyer & Son.

Kentucky Wesleyan College Notes.

Miss Mary Hunt, one of our last years students, is ill with pneumonia. She is improving at this time.

The four young men who will soon contest for the honor of rep-

resenting the college in the state oratorical contest are busy at work preparing their orations.

News has just been received by telegraph from Mr. John C. Mays, who is an old K. W. C. student, that he will give \$50.00 if the citizens of Winchester raise their \$20,000.00.

The work of the college was interrupted but one day by the burning of the college building. Temporary lecture rooms were fitted up in two vacant houses near the college and the work is moving on very nicely.

The committee of citizens which was appointed to raise funds for rebuilding are actively at work. Several thousand dollars have been raised during the last few days, and there is no doubt but that the whole amount necessary will be raised.

By the Tonic Route.

The pills that act as a tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Biliousness, etc. Early Risers are small, easy to take and easy to act—a safe pill. Mack Hamilton, hotel

clerk at Valley City, N. D., says: "Two bottles cured me of chronic constipation." Sold by M. Rose.

J. H. Mullins and wife, of Lombard, and Mrs. S. M. Knox, of Knox, visited V. O. Martin and family Saturday and Sunday.

Mrs. Nannie Huff left here Tuesday for her new home at Bryant, Wis. We regretted very much to see her leave but wish her success.

G. A. Crabtree left Monday for Mountain Springs, Estill county, where he has a job of carpentering on the church house at that place.

Pleasant and Harmless.

A quick cure for Croup and Whooping Cough. One Minute Cough Cure relieves a cough in one minute because it acts first on the mucous membrane right where the cough troubles—in the throat or deep-seated on the lungs. Sold by M. Rose.

North Bend.

We are informed that Albert Welch and J. S. Ewen will erect a modern up-to-date corn mill at Stanton in the near future.

The well-known Red River Roller Mills at Rosslyn are running at their fullest capacity and are selling their entire output.

A. P. Friend went to Lawrence county last week where he will engage in farming and tobacco raising on a large scale the coming season. "Blue Boy."

A Destructive Fire.

To draw the fire out of a fever, or heal a cut without leaving a scar, use DeWitt's Witch Hazel Salve. A specific for piles. Get the genuine, J. L. Tucker, editor of the Harmonizer, Centre, Ala., writes: "I have used DeWitt's Witch Hazel Salve in my family for piles, cuts and burns. It is the best salve on the market. Every family should keep it on hand." Sold by M. Rose.

Watkins, Lebus, Ky., says: "I can testify to the efficacy Kodol in the cure of Stomach Trouble. I was afflicted with Stomach Trouble for fifteen years and have taken six bottles of your Kodol Dyspepsia Cure, which entirely cured me. The six bottles were worth \$1,000 to me." Kodol Dyspepsia Cure will digest any quantity of all the wholesome food you want to eat while your stomach takes a rest—recuperates and grows strong. This wonderful preparation is justly entitled to all of its many remarkable cures. Sold by M. Rose.

PAPOOSE POPCORN

A subscriber to the Southern Agriculturist secured the original seed from an old Indian in Northwest Texas. After experimenting with it seven years he wrote that paper: "With good ground and care it will make from 50 to 100 bushels to the acre, and planted thick and cut stalk and all it will make more feed and better feed than anything I ever saw. The old Indian said poultry fed on it would never have the cholera. I have not lost a fowl with cholera since I have been raising it. It also pops beautifully." This article brought hundreds of requests for seed, and now only a few bushels are left. Send 10c for a 3 months' trial subscription to Southern Agriculturist, 39 C. P. Bldg., Nashville, Tenn., and you will get 100 seed by return mail, also details of \$50 prize seed-growing contest.

Asa Todd visited his sister, Mrs. J. W. McKinney, at Bucksville the first of the week.

Best Barnett and family, who left this place last week for Illinois to reside, returned Tuesday.

Elder Geo. W. McIntosh filled the stand at the Baptist church Sunday morning. He will supply the church for a time at least preaching each first Saturday and Sunday.

Mrs. Rachel Barnett, who has been in poor health for some time, was taken much worse one day last week, but is getting along nicely under the skilled treatment of Dr. C. H. Williams.

Dr. C. H. Williams has moved his family into the B. S. Burgher property in the village. We are indeed very glad to see the doctor come into our midst as he is one of the foremost practitioners in Eastern Kentucky. Such a physician is badly needed here.

City politics seems to be commanding some considerable attention in other cities but up to the present little has been said about politics in Clay City. However some mention has been made about the Police Judge, and among the gentlemen named are Squire Thos. J. Fletcher and ex-Police Judge W. T. Adams. Both gentlemen are well qualified for the place and no mistake will be made by selecting either. We learn that Judge Webb will not be a candidate again, as the position will figure in his law practice.

Enterprise.

An enterprising fakir has been working a cunning trick on a number of bird fanciers in Lawrenceburg. He traveled about with a large collection of brightly colored birds, and claimed they were Japanese canary birds and that he was selling them for the Japanese soldiers. He readily disposed of nearly two dozen birds at \$1 a piece. It was soon discovered that the birds were English sparrows with their feathers dyed with bright colors.—Exchange.

A GREAT SEED FARM.

Sample New Sweet Corn Novelty—Earliest and Largest on Record—Sent Free with the Great Mills' Seed Book.

F. B. Mills, the Seedsmen, of Roseton, N. Y., is now distributing more than half a million copies of his greatest Seed Book, and with each one he sends free of charge a sample packet of his New Early Sweet Corn, a wonderful novelty being sent out this year to test in all parts of the country.

The book itself is a beauty, giving many fine views of his immense establishment which has been enlarged year by year to fit the requirements of a rapidly increasing business until it now comprises in addition to the Fairview Seed Farms and Greenhouses, three departments each of unusual interest to the public.

Mills' Thoroughbred Poultry Farm is up-to-date in every respect: the main house is 550 feet long, fully equipped with electric heaters which give complete protection from frost in winter. A special Poultry and Incubator Catalogue explains about this poultry farm and illustrates the many breeds of popular fowls that are raised there.

The Ginseng farm is another very interesting feature of the business. Mr. Mills has had years of experience in ginseng culture and is always willing to furnish free information about this growing industry.

A Supply Department was added recently with the object of furnishing his customers farm and garden implements; household goods, etc., at factory prices.

Mr. Mills has, through years of persistency in strictly honest business methods, gained a reputation from thousands for reliability as well as for zeal and enterprise.

The Vegetable Contest described in Seed Book is characteristically original and we consider it a splendid plan as it is calculated to encourage habits of close observation. \$4,000.00 will be given away in premiums June 1st.

This Seed Book and sample of corn may be had for the asking.

Do You Want an Education?

SOME FACTS ABOUT THE CLAY CITY GRADED SCHOOL.

Clay City is located on the L. & E. railroad, between Lexington and Jackson, Ky. The Graded School is the pride of the city and is in a prosperous condition, having an enrollment of about one hundred and fifty pupils.

Strict discipline is enforced, but it is tempered with mildness and kindness. Our course of study will compare favorably with that of any graded school in the State. We strive to obtain thoroughness, however, rather than a smattering knowledge of many things; to be deep, rather than broad. We shall undertake no patent process by which it is supposed that untutored boys and girls may be put into a cramming machine and speedily turned out well educated men and women.

Education is the product of time and hard study. If you wish your children to be well educated, you should give plenty of time in which to train them. We will teach your little children and give them the benefit of careful training in the elementary branches, under an experienced teacher, thus laying the foundation of a good education; we will take pupils in the preparatory department and give them thorough instruction in the ordinary branches of an English education, and we will take more advanced students and train them in the higher studies of the regular college course, including Higher Mathematics, Sciences, French and English Literature, and will furnish them with superior facilities for instruction in Vocal and Instrumental Music.

Nerve Fag.

If You Waste Your Nerve Energy, After Awhile You Will Suffer For It.

You can waste nerve force by excess, over-work, worry, anxiety, etc.

You can weaken yourself by not eating proper food or securing sufficient rest to renew the nerve energy you use up.

The proper treatment, in addition to good phosphatic food, such as whole meal bread, prepared cereals, etc., is Dr. Miles' Restorative Nervine.

This is as truly a brain and nerve food as any food you could eat, and besides, furnishes strength and tone of its own, which goes to the weakened nerve system, and sets it to rights.

Dr. Miles' Restorative Nervine is a refreshing, revitalizing tonic food-medicine for the brain and nerves. It reconstructs worn-out nerve tissue, and fills your languid brain with new life and vigor.

Dr. Miles' Nervine has made so many marvelous cures, of people so sick the doctors thought they were incurable, that it is today the standard medicine in many thousands of American homes.

The first bottle is guaranteed to help you, or druggist returns your money.

"The extreme heat, close confinement and intense mental strain incident to the banking business, has caused me to suffer with nervousness and insomnia. It gives me pleasure to say that I have used Dr. Miles' Nervine with very satisfactory results in the treatment of these affections. I am now on my fifth bottle, and eat and sleep well in fact have almost forgotten that I possess nerves."—H. L. DALBY, Asst. Cashier, State Bank, Texarkana, Ark.

Elder E. W. Marcum and family left Tuesday morning for Tishomingo, Ind. Ter. to make their future home.

We have had a number of very nice spring days the past week, making many of the early gardeners feel nervous and anxious.

The Beattyville Bank is to be reorganized and changed to a National Bank of \$25,000. capital instead of \$15,000. its present capital.

C. C. Eaton has returned to Tennessee where he will superintend the operation of a lumber plant. Cliff is a good hustler and a fine saw mill man.

New Mill Started.

The Clay City Roller Mills Co. started up their new flour mill this week and same is making the very best flour possible. If you want to be well pleased in baking buy Snow Flake or White Rose and you will not be disappointed.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye. Good for burns and ulcers too. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with Pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at Swann-Day Lumber Co's store, price 50c and \$1.00. Trial bottle free.

"Write a letter to your Old Home Paper."

These thoughts were suggested to the writer, after reading a letter, written to his former home paper. The letter was written by a former resident of the same place who had migrated as far away from the "old home" town in one direction as the writer of this had in the opposite one.

At first this writing a letter to the home paper seems unnecessary as you think because some

of your friends at home can inform any one there as to how you are getting along, but the paper goes still farther.

Here in our own town our paper goes to far distant Texas, to the Northeast States and far East and West where some of our former citizens have cast their lot. Their seeing these letters brings back to them many happy thoughts of life's younger days when we were all together in the same neighborhood before fortune or fate placed so many miles between them.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me, I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by Swann-Day Lumber Co., at 50c a bottle.

There are between eight and ten million young men in the United States.

Small Profits

Buyers here are absolutely sure that they are getting positively the best the market affords in every line of drug store goods. Because of our small store and small expense we are successful in competing with the big fellows who have big rents and big wages to pay. Our prices are so low and the merit of our goods so great that it will pay you to go out of your way to come here.

The following is one of our offers:

Constipated?

Here is a Free Cure.

You have tried pills. You know by your own experience that a physic won't cure. Let experience show you what will cure.

Constipation is the rotting of undigested food in the alimentary tube. This festering, rotting mass makes bad blood, which makes bad health. Constipation causes most sickness. It probably causes your suffering.

Mull's Grape Tonic cures. It is not a physic or like anything else you have ever used. It is a tonic containing special properties of the grape which strengthens the digestive organs and enables them to do their work unaided and properly. No griping. If it fails, your money will be returned.

We know that Mull's Grape Tonic will cure you and, therefore, will give you a large sample bottle of the great remedy, if you have never taken it. We only ask that you use the contents of the first bottle directed. You don't obligate yourself to buy any of the remedy.

THEODORE'S BLACK-DRAUGHT

THEODORE'S Black-Draught comes nearer regulating the entire system and keeping the body in health than any other medicine made. It is always ready in any emergency to treat ailments that are frequent in any family, such as indigestion, biliousness, colds, diarrhoea, and stomach aches.

Theodore's Black-Draught is the standard, never-failing remedy for stomach, bowel, liver and kidney troubles. It is a cure for the domestic ills which so frequently sicken the doctor. It is as good for children as it is for grown persons. A dose of this medicine every day will soon cure the most obstinate case of dyspepsia or constipation, and when taken as directed brings quick relief.

DANVILLE, ILL., Dec. 25, 1903.

Theodore's Black-Draught has been our family doctor for five years and we want no other. When any of us feel bad we take a dose and are all right in a few hours. We have spent lots of money for doctor bills, but not along just as well with Black-Draught. IRA H. PABER.

Ask your dealer for a package of Theodore's Black-Draught and if he doesn't keep it send 25c to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed to you.
